

Certificate

Product:

Ecoline Oil Ground Coat

Client:

SAICOS COLOUR GmbH
Carl-Zeiss-Straße 3
48336 Sassenberg
Germany

Hardened colour samples of the above-mentioned product were tested for their migration behaviour regarding certain elements according to DIN EN 71-3 as well as for saliva and sweat fastness (WESSLING test report CAL22-049944-1).

With regard to manner and extent of the performed examinations, the tested samples comply with the following norms in their current version:

- DIN EN 71-3:2021-06 (category III) (toy safety – part 3: migration of certain elements)
- Saliva fastness according to ASU B 82.92.3 (2011-12)
- Sweat fastness according to ASU B 82.02.13 (2011-12)

Anne Scheipers
Food Chemist

CAL22-049944-1_CER 31st May 2022

The certificate is valid for two years.
